A Note from Kilbryde Hospice:

We have just launched an urgent appeal for volunteers to support us within our retail stores. These stores sell goods in exchange for cold hard cash which is essential in enabling us to run our organization and deliver the incredible care and support to our patients, their carers and families. We have 3 retail stores (2 in East Kilbride and 1 in Hamilton). We also have our warehouse which is based in East Kilbride. Although not the most 'glamorous' of roles, we are in desperate need of warehouse volunteers to help us sort and organize stock in able to get it out to our shops!

Whether people are able to volunteer 2 hours a week or 10, it does not matter! We need as many hands on deck as possible to help raise vital funds to allow our organization to continue and develop.

Can I ask you please share this appeal amongst your networks and contacts If anyone would like to receive more information or be sent a volunteer application form, please contact [Tel:- 01355 202020](tel:01355202020) Email volunteer.recruitment@kilbrydehospice.org.uk

CONGRATULATIONS

On Saturday 12th May, three pupils from St Andrew's and St.Bride's High School - Katie Nelson, Eloise McNulty and Niamh Greig - were crowned intermediate British Champions of the Rotary Club's Youth Speaks Public Speaking Competition. Performing in the National Finals in Devon following victories in local, district and regional heats, they gave a magnificent performance on the topic, 'Material Girl', in which they spoke about their journey from consumerism to kindness and their ultimate realisation that 'stuff' doesn't matter and 'stuff' doesn't make people happy. They ended their speech poignantly, reminding their audience that in the pilgrimage of life, it's not the stuff you have that counts, but the road you walk, the path you choose and the spirit you have. Before their celebratory dinner, the girls went to thank God for their blessings at Mass in the Holy Family Church in Exmouth.

PRAYER REQUEST

From the "Compendium of the Catechism of the Catholic Church"

14. What is the relationship between Tradition and Sacred Scripture? Tradition and Sacred Scripture are bound closely together and communicate one with the other. Each of them makes present and fruitful in the Church the mystery of Christ. They flow out of the same divine well-spring and together make up one sacred deposit of faith from which the Church derives her certainty about revelation.
